

DAWSONS-TECH[®]

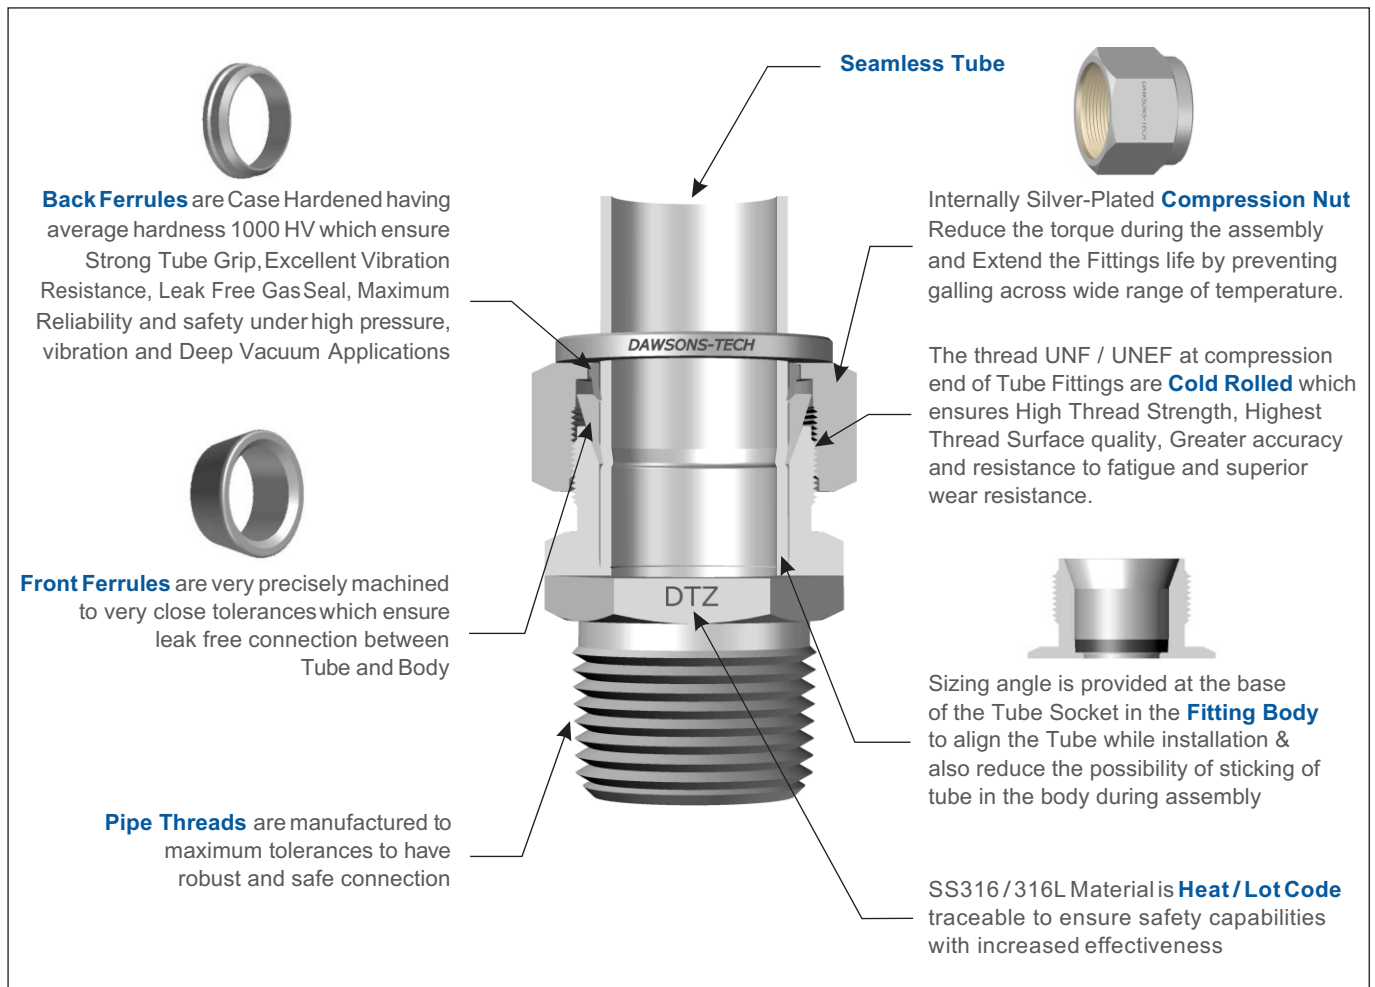

OVER 35 YEARS OF EXPERIENCE

*Why DAWSONS-TECH is a preferable SOURCE for TUBE Fittings
alternative to International REPUTED brand?*

*DAWSONS-TECH offers SUPERIOR QUALITY, Very Reliable in Performance
and Very Cost-Effective Twin FERRULE TUBE Fittings for Leak Free
Connection in FLUID / Gas Control System USED in a wide range of INDUSTRIES.*

DAWSONS-TECH® Twin Ferrule Tube Fittings have been very carefully designed & manufactured under strict quality assurance procedures meeting the requirements of ISO 9001-2015 & PED 2014/68 EU.

Feature's & Comparison of Twin Ferrule Tube Fittings:

FEATURES	DAWSONS-TECH® VS. SWAGELOK®
Twin Ferrule Design	Yes
Traceable Quality SS316 / SS316L Material	Yes
UNF / UNEF Threads are Cold Rolled	Yes
Internally Silver Plated Nut	Yes
Low Torque assembly	Yes
Case Hardened Back Ferrule	Yes
Allow intermix of Components	Yes
Shoulder Marking to distinguish between Metric & Imperial size	Same
Ability to Identity different thread forms through body marking	Same
Stringent Quality Assurance Standard	Yes
Installation procedures	Same
Gaugeability to check correct installation	Same
Pressure Rating upto 10,000 PSIG (690 bar)	Same
Temperature Rating upto 538° C	Same
Requirement of Tube Specifications	Same
Leak integrity	Same

Type Test Approval

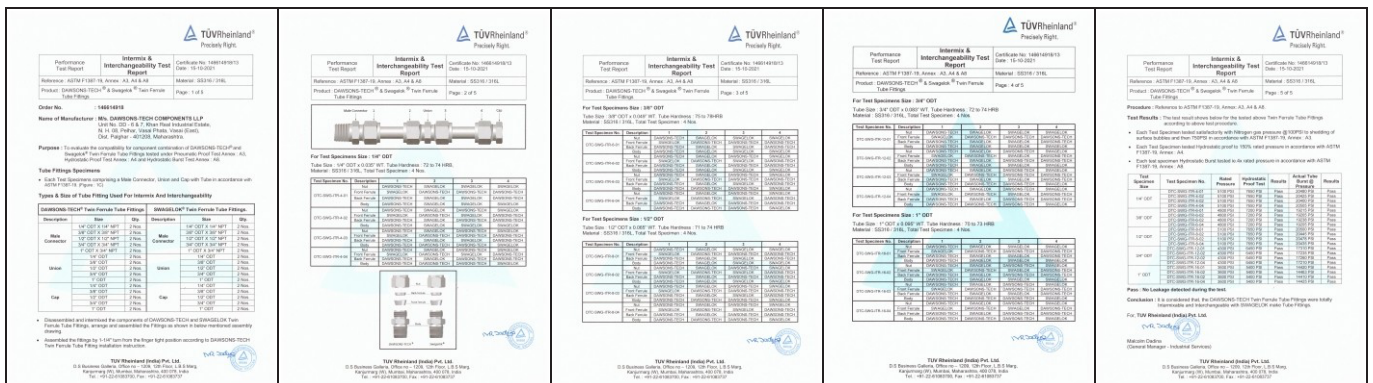

In view of the features comparison of Twin Ferrule Tube Fittings and Type Test Conducted through TUV Rheinland, a global leader in independent inspection services in accordance with ASTM F1387-19 with satisfactory performance result authenticates that, **DAWSONS-TECH®** Tube Fittings are equal in quality to Swagelok® Tube Fittings by testing.

Intermix and Interchangeability

It is confirm that **DAWSONS-TECH®** Twin Ferrule Tube Fittings are interchangeable with Swagelok® brand Tube Fittings in Design, Texture, Bore, Threads, Surface Finish, Installation, Sealing Integrity Pressure Ratings, etc.

The Pneumatic Test, Hydrostatic Test and Burst Test in accordance with ASTM F1387-19, Annex A3, A4 and A8 conducted through TUV Rheinland, a global leader in independent inspection services for intermixed combination of individual Tube Fittings Components of **DAWSONS-TECH®** and Swagelok® with very satisfactory performance result which ensure intermix guarantee and Leak Free Performance.

The Cost of Tube Fittings

DAWSONS-TECH® offers Tube Fittings equal in quality by testing to the Swagelok® brand at very competitive price.

Will customer still prefer to **Pay Very High Cost** for just **Brand Name?**

Incorporate DAWSONS-TECH® Fittings & Valves in your purchase & Avail Substantial Cost Saving

Please send us your enquiry by email: ankitkohli@sanmish.com and we are dedicated to serve to your entire satisfaction at all times.

The Secret of our success is Ritualistic continuous improvement of our products and process

THE COMPANY :

DAWSONS-TECH® is an ISO 9001:2015 certified manufacturing company offers wide range of **Consistent, Reliable and Superior Quality Flow Control Components** used in Fluid / Gas Control systems in a wide range of Industries.

MANUFACTURING:

DAWSONS-TECH® have established its comprehensive state of art manufacturing and testing facility by installing various CNC Turning Centre, CNC Turn mill Centre, Vertical Machining Centre, etc. with highly motivated and dedicated team of employees in place. This facilitates us to design and manufacture our product range under stringent quality checks and measurements that ensures **"A TOTAL CUSTOMER SATISFACTION"**.

QUALITY:

DAWSONS-TECH® pursues not only performance of its products but also ensures **"TOTAL QUALITY CONTROL MANAGEMENT SYSTEMS IN ACCORDANCE TO ISO 9001:2015"** which is achieved by alerting and educating each and every employee, the importance of quality and by implementing the quality control procedures at every stage of production to final inspection from incoming raw material to finish products.
